

# HSCT VOLUNTEER FORM

At the heart of HSCT are our volunteers. The C in HSCT stands for Community and that community is made up of individuals young and old from all over North Central Florida who are interested in producing quality theater. Every Production depends on volunteers like you. With the exceptions of musicians in musicals, all work is performed by HSCT VOLUNTEERS.

We currently have many openings and volunteer are needed. Below are some of the areas we will need your help for the coming year. Since we are a community theater we provide training and support for all the positions. If you have experience in the theater we are sure you will enjoy making the magic of theater come alive here at HSCT. If you have never been involved, let us show you how much fun it can be to create that magic.

Please, check any areas you would like to help and our volunteer coordinator will contact you. If you have any questions, please feel free to contact us.
